N/A		N/A
MINIMUM DELIVERY REQUIREMENTS		
N/A		

THIS CONTRACT IS AVAILABLE TO LOCAL UNITS OF GOVERNMENTS.

NATURE OF CHANGE (S):

Effective October 1, 2003, the following price reductions are implemented to this contract:

- 1. P/C 732-354-500 P225/60R16 97VS2 EAGLE RS-A (Item #10) Reduced from \$71.79 to \$53.00.
- 2. P/C 732354148 P225/60R16 97VS2 EAGLE RSA PLUS Reduced from \$63.00 to \$59.00.
- 3. Attached is a product comparison example given as a cost savings suggestions. The comparison shows that a savings of approximately \$10,000.00 per year could be achieved if an agency would change its use of the Regatta 2 to Integrity and Wrangle RT/S to Conquest. All of these options are currently available on the contract. No change is made to the contract as a result of this suggestion.

Correction: Contract end date is December 1, 2006.

DECREASE: \$3,178.58

Contract No. 071B2001210 Change Notice #1 Page 2

AUTHORITY/REASON:

Per vendor email (Debbie Frear) on 9/9/03 and DMB/ACQUISITION SERVICES approval.

TOTAL REVISED ESTIMATED CONTRACT VALUE: \$6,673,099.55

REGAT	TA 2 VS. INTEGRITY			cost	mileage	cost pe	r
<u>dept</u>	prod code	tire info	<u>units</u>	per tire	<u>rating</u>	1,000 mil	es
7925	187117026	P205/70R15 95S S1 REGATTA 2 X RPTL	377	\$ 39.68	75,000	\$ 0.	53
7925	402117436	P205/70R15 95S S1 INTEGRITY X RPTL	176	\$ 31.78	50,000	\$ 0.	64

If dollars savings they could switch all higher priced tires (like switching from Regatta's into Integrity's). An example of cost savings on this same example is below:

tir <u>e</u>
959.36
593.28
552.64
574 O 4
574.34

\$ 2,978.30 savings

WRANC	<u>GLER RTS VS. CO</u>	NQUEST AT		cost	UTQG
<u>dept</u>	prod code	tire info	<u>units</u>	per tire	<u>rating</u>
7941	749353434	LT245/75R16 E WRL RT/S OL BSLRP	431	\$ 77.59	340 rating
7941	753429102	LT245/75R16 120/116P E CONQUES ATB03TL	529	\$ 59.28	320 rating

There is no mileage rating on these tires - the Uniform Tire Quality Grade Rating (UTQG Rating*) shows that against the control tire on the government test course. Example: if the control tire rated at 100, a tire rated 340 would wear 3.4 times longer than the control tire. A tire rated 320 would wear 3.2 times longer than the control tire.

Example below - switching the Wranger RTS's into the Conquest AT's

					cost	units x cost
<u>dept</u>	prod code	tire info	<u>units</u>	р	<u>er tire</u>	per tire
7941	749353434	LT245/75R16 E WRL RT/S OL BSLRP	431	\$	77.59	\$ 33,441.29
7941	753429102	LT245/75R16 120/116P E CONQUES ATB03TL	529	\$	59.28	\$ 31,359.12 \$ 64,800.41
7941	753429102	LT245/75R16 120/116P E CONQUES ATB03TL	960	\$	59.28	\$ 56,908.80

\$ 7,891.61 <u>savings</u> \$ 10,869.91 Total Savings

TERMS AND CONDITIONS

GENERAL

This contract is for the commodities and services specified hereunder to be furnished during the period as noted. Exact quantities to be purchased are unknown, however as the successful bidder the contractor will be required to furnish all such materials as may be ordered during the contract period. Quantities specified if any, are estimates based on prior purchases, and the State is not obligated to purchase in these or any other quantities. Orders for delivery will be issued directly to the Contractor by various State departments on the Purchase Order Release Form and by the Office of Purchasing on the Purchase Order Form. Orders may also be issued by local units of government.

The following documents constitute the complete and exclusive agreement between the parties. The following order of precedence shall apply (in descending order):

- A. Any contract resulting from the State's ITB No. 071I1000353.
- B. Any addenda to that ITB.
- C. The Contractor's response to that ITB.

The State of Michigan shall not be bound by any part(s) of the bidder's response to the ITB which contained information, options, conditions, terms, or prices neither requested nor required in the ITB. In the event of any conflicts between the specifications, terms and conditions indicated by the State and those indicated by the Contractor, those of the State take precedence. The contract supercedes all proposals or other prior agreements, oral or written, and all other communications between the parties relating to this subject.

The failure of a party to insist upon strict adherence to any term of this contract resulting from the ITB shall not be considered a waiver or deprive the party of the right thereafter to insist upon strict adherence to that term or any other term of the contract.

This contract may not be modified, amended, extended, or augmented except by a writing executed by the parties hereto, and any breach or default by a party shall not be waived or released other than in writing signed by the other party.

Each provision of this contract shall be deemed to be severable from all other provisions of the contract and, if one or more of the provisions of the contract shall be declared invalid, the remaining provisions of the contract shall remain in full force and effect.

The contract shall in all respects be governed by, and construed in accordance with, the laws of the State of Michigan.

CONTRACT PERIOD

The term of the resulting contract(s) will be for a five (5) year period and will commence with the issuance of the contract(s). This will be December 1, 2001 through December 1, 2006.

ISSUING OFFICE

This contract is issued by the Office of Purchasing, State of Michigan, Department of Management and Budget, hereinafter known as the Office of Purchasing, for the various State of Michigan departments, hereinafter known as State agencies Where actions are a combination of those of the Office of Purchasing and the State agencies, the authority will be known as the State.

The Office of Purchasing is the sole point of contact in the State with regard to all procurement and contractual matters relating to the commodities and/or services described herein. The Office of Purchasing is the only office authorized to change, modify, amend, alter, clarify, etc., the specifications, terms, and conditions of this contract. The Office of Purchasing will remain the SOLE POINT OF CONTACT throughout the procurement process until such time as the Director of Purchasing shall direct otherwise in writing (see paragraph below). All communications covering this procurement must be addressed to:

Department of Management and Budget
Office of Purchasing
Attn: Jeffrey A. White or Mike Bliss
2nd Floor, Mason Building
P. O. Box 30026
Lansing, Michigan 48909

STATE CONTRACT ADMINISTRATOR

Upon receipt at the Office of Purchasing of the properly executed Contract Agreement(s), it is anticipated that the Director of Purchasing will direct that all State agencies be authorized to administer the contract on a day-to-day basis during the term of the contract. However, administration of the contract implies no authority to change, modify, clarify, amend, or otherwise alter the terms, conditions, and specifications of such contract(s). That authority is retained by the Office of Purchasing.

INCURRING COSTS

The State of Michigan is not liable for any cost incurred by the bidder prior to signing of a contract. The State fiscal year is October 1st through September 30th. The prospective Contractor(s) should realize that payments in any given fiscal year are contingent upon enactment of legislative appropriations. Total liability of the State is limited to terms and conditions of this contract.

NEWS RELEASES

News releases, advertisements, brochures or other publications pertaining to this contract or projects to which it relates shall not be made without prior written State approval, and then only in accordance with the explicit written instructions from the State. No results of the activities associated with this contract are to be released without prior written approval of the State and then only to persons designated.

PRIME CONTRACTOR RESPONSIBILITIES

The prime Contractor will be required to assume responsibility for all contractual activities offered in this contract, whether or not that Contractor performs them. Further, the State will consider the prime Contractor to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the anticipated contract. If any part of the work is to be subcontracted or allocated, this contract includes a list of subcontractors and/or distributors, including firm name and address, contact person and a complete description of work to be subcontracted. The State reserves the right to approve subcontractors, and/or distributors and to require the primary Contractor to replace subcontractors and/or distributors found to be unacceptable. The Contractor is totally responsible for adherence by the subcontractors and/or distributors to all provisions of the contract. Any change in subcontractors and/or distributors should be approved by the State, in writing, prior to such change.

DELEGATION

The Contractor shall not delegate any duties or obligations under this contract to a subcontractor and/or distributor other than a subcontractor and/or distributor named in the contract unless the State Purchasing Director has given written consent to the delegation.

ASSIGNMENT

The Contractor shall not have the right to assign this contract or to assign or delegate any of its duties or obligations under this contract to any other party (whether by operation of law or otherwise), without the prior written consent of the State. Any purported assignment in violation of this Section shall be null and void. Further, the Contractor may not assign the right to receive money due under the contract without the prior written consent of the State Purchasing Director.

DISCLOSURE

All information in a bidder's proposal and this contract is subject to the provisions of the Freedom of Information Act. 1976 Public Act No. 442, as amended, MCL 15.231, et seq.

RECYCLED MATERIALS

Contractors were encouraged to offer products containing recovered materials suitable for the intended use. By doing so, the Contractor warrants the product(s) as at least functionally equivalent to the bid specifications. "Recovered material" is defined as post-consumer waste (any product generated by a business or consumer which have served their intended end use, and which have been separated or diverted from solid waste for the purpose of collection, recycling, and disposition) and secondary waste (industrial by-products as in wastes generated after completion of a manufacturing process that would normally not be reused).

This provision does not allow for the consideration of re-tread tires. All tires quoted and provided must be NEW tires only. The proposed average percentage of recycled materials offered by Goodyear Tire & Rubber Company is as follows:

Auto Tires	2.9%
Police Tires	2.9%
Radial Light Truck	3.0%
Medium Radial Over the Road Truck	4.0%

QUALITY ASSURANCE

The State reserves the right to periodically test products which have been received to verify compliance with specifications. If laboratory analysis shows that the product does not meet specifications or fails to perform satisfactorily at any time, the Contractor shall be responsible for:

- 1. All costs of testing and laboratory analysis.
- 2. Disposal and/or replacement of all products which fail to meet specifications.
- 3. All costs of repair and/or replacement of equipment deemed to have been damaged by substandard products as determined by the State.

SPECIFICATIONS

Definite Specifications - All commodities and services to be furnished hereunder shall conform to the specifications as noted the Contract and/or copies of specifications attached.

The items listed, on the price sheets, represents the most frequently ordered items of that group. The State will use standards such as the current issues of the Cooperative Approved Tire List (CATL-1922 & 1923) and the Consumers Guide to Uniform Tire Quality Grading published by the U.S. Department of Transportation, to determine quality acceptance.. Tires must be listed in these references to qualify for consideration with the following exception. If tires offered have been approved by CATL, but were not included in the current publication, we will consider the tires acceptable if the contractor has provided documentation of approval by CATL to the Office of Purchasing.

PRICE

The Prices quoted are the maximum for a period of 365 days from the date the contract becomes effective.

Prices may be subject to revision at the end of each 365 day period if there are changes in the general industry. Revisions may be either increases or decreases and may be requested by either party. Evidence of general industry changes, such as revised printed price lists or notices, and evidence that the change actually affected the Contractor's costs for materials must accompany the request. Requests for price changes shall be received in writing at least thirty (30) days prior to their effective date and are subject to written acceptance before becoming effective. If proposed prices are not acceptable to either party, the contract may be cancelled. The Contractor remains responsible for performing according to the contract terms at the contract price for all orders received before price revisions are approved or before the contract is cancelled.

The postmark date on the Contract Release will determine prices to be charged on orders (requesting a single shipment to be delivered prior to the effective date of the price revision) which may already be in transit to the Contractor prior to the new price implementation date. Orders issued by agencies requesting multiple deliveries, over a specified period of time, which may overlap two price periods, shall reflect the current price at the time of delivery.

MINIMUM ORDER

The minimum order is one (1) unit.

F.O.B. POINT

Prices are "F.O.B. Distribution/Sales Outlet".

The majority of our purchases will be State Agency pickup. If an Agency requires delivery the freight charges should be billed as a separate line item. Delivery charges shall not exceed the distributors usual and customary delivery charge.

DELIVERY

Orders that require delivery shall be delivered within fourteen (14) calendar days after receipt of order. Deliveries must be made to all State of Michigan, Michigan Department of Transportation, Department of Management & Budget (Vehicle and Travel Services Division) garages, to all Michigan State Police Post and to any other State agency or local units of government.

The majority of orders will in all probability be for immediate pick-up and/or installation at the point of distribution. Miscellaneous service charges such as mounting, balancing, rotating, repair, etc. shall not exceed the distributors usual and customary charges.

DISTRIBUTION & SERVICE

The State of Michigan's passenger vehicles and trucks are located across the State of Michigan. Therefore tires and service centers must be available on a statewide basis. The contractor has provided a current list of all authorized sales and service centers for your tires in the State of Michigan (see current three (3) page list attached). The distribution/sales outlets must be able to provide contracted tires at the contract price. They must also be able to provide installation including mounting and balancing. These services shall be provided at prices that do not exceed the supplier's usual and customary prices.

It is understood that the contractor may not have adequate distribution and service coverage for every possible user location. It is also understood that the contractor may not have adequate stock for every immediate user need. Therefore, the State of Michigan reserves the right to buy that product from a alternate source if it is not readily available or at a reasonable distance from the user.

In order to facilitate the issuance of orders and payments that are not invoiced under the MAP Program individual authorized sales and service centers will need to establish their own mail code under the primary contractors Michigan Bidder Registration.

This will only be required when orders are issued directly to individual authorized sales and service centers, by the state or local units of government.

Individual authorized sales and service centers, may apply to the Department of Management and Budget, Office of Financial Management, P.O. Box 30026, Lansing, Michigan 48909, or electronically at www.michigan.gov/dmb/oop, or you may call the help desk (888) 734-9749.

TAXES

The State of Michigan and local units of government are exempt from Federal Excise Tax, State or Local Sales Tax. Prices shall not include such taxes. State of Michigan Exemption Certificates for Federal Excise Tax will be furnished upon request.

INDEMNIFICATION

1. General Indemnification

The Contractor shall indemnify, defend and hold harmless the State, its departments, divisions, agencies, sections commissions, officers, employees and agents, from and against all losses, liabilities, penalties, fines, damages and claims (including taxes), and all related costs and expenses (including reasonable attorneys' fees and disbursements and costs of investigation, litigation, settlement, judgments, interest and penalties), arising from or in connection with any of the following:

- (a) any claim, demand, action, citation or legal proceeding against the State, its employees and agents arising out of or resulting from (1) the product provided or (2) performance of the work, duties, responsibilities, actions or omissions of the Contractor or any of its subcontractors under this contract.
- (b) any claim, demand, action, citation or legal proceeding against the State, its employees and agents arising out of or resulting from a breach by the Contractor of any representation or warranty made by the Contractor in the contract;
- (c) any claim, demand, action citation, or legal proceeding against the State, its employees and agents arising out of related to occurrences that the Contractor is required to insure against as provided for in this contract:
- (d) any claim, demand, action, citation or legal proceeding against the State, its employees and agents arising out of or resulting from the death or bodily injury of any person, or the damage, loss or destruction of any real or tangible personal property, in connection with the performance of services by the Contractor, by any of its subcontractors, by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable; provided, however, that this indemnification obligation shall not apply to the extent, if any, that such death, bodily injury or property damage is caused solely by the negligence or reckless or intentional wrongful conduct of the State;
- (e) any claim, demand, action, citation or legal proceeding against the State, its employees and agents which results from an act or omission of the Contractor or any of its subcontractors in its or their capacity as an employer of a person.

2. Patent/Copyright Infringement Indemnification

The Contractor shall indemnify, defend and hold harmless the State, its agencies, departments. divisions, sections, commissions, officers. employees and agents from and against all losses, liabilities, penalties, fines, damages (including taxes), and all related costs and expenses (including reasonable attorney's fees and disbursements, costs of investigation, litigation, settlement, judgments, interest and penalties) incurred in connection with any action or proceeding threatened or brought against the State to the extent that such action or proceeding is based on a claim that any piece of equipment, software, commodity or service supplied by the Contractor or its subcontractors, or the operation of such equipment, software, commodity or service, or the use or reproduction of any documentation provided with such equipment, software, commodity or service infringes any United States or foreign patent, copyright, trade secret or other proprietary right of any person or entity, which right is enforceable

under the laws of the United States. In addition, should the equipment, software, commodity, or service, or the operation thereof, become or in the Contractor's opinion be likely to become the subject of a claim of infringement, the Contractor shall at the Contractor's sole expense (i) procure for the State the right to continue using the equipment, software, commodity or service or, if such option is not reasonably available to the Contractor, (ii) replace or modify the same with equipment, software, commodity or service of equivalent function and performance so that it becomes non-infringing, or, if such option is not reasonably available to Contractor, (iii) accept its return by the State with appropriate credits to the State against the Contractor's charges and reimburse the State for any losses or costs incurred as a consequence of the State ceasing its use and returning it.

3. Indemnification Obligation Not Limited

In any and all claims against the State Of Michigan, or any of its departments, divisions, agencies, sections, commissions, officers, employees and agents, by any employee of the Contractor or any of its subcontractors, the indemnification obligation under the contract shall not be limited in any way by the amount or type of damages, compensation or benefits payable by or for the Contractor or any of its benefits acts. This indemnification clause is intended to be comprehensive, Any overlap in subclauses, or the fact that greater specificity is provided as to some categories of risk, is not intended to limit the scope of indemnification under any other subclause.

4. Continuation of Indemnification Obligation

The duty to indemnify will continue in full force and effect not withstanding the expiration or early termination of the contract with respect to any claims based on facts or conditions which occurred prior to termination.

CONTRACTOR'S LIABILITY INSURANCE

The Contractor shall self-insure or purchase and maintain such insurance as will protect him from claims set forth below which may arise out of or result from the Contractor's operations under the Contract (Purchase Order), whether such operations be by himself or by any Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

(1) Claims under workers' compensation, disability benefit and other similar employee benefit act. A non-resident Contractor shall have insurance for benefits payable under Michigan's Workers' Compensation Law for any employee resident of and hired in Michigan; and as respects any other employee protected by workers' compensation laws of any other State the Contractor shall have insurance or participate in a mandatory State fund to cover the benefits payable to any such employee.

- -
- (2) Claims for damages because of bodily injury, occupational sickness or disease, or death of his employees.
- (3) Claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees, subject to limits of liability of not less than \$300,000 each occurrence and, when applicable \$300,000 annual aggregate, for non-automobile hazards and as required by law for automobile hazards.
- (4) Claims for damages because of injury to or destruction of tangible property, including loss of use resulting therefrom, subject to a limit of liability of not less than \$50,000 each occurrence for non-automobile hazards and as required by law for automobile hazards.
- (5) Insurance for Subparagraphs (3) and (4) non-automobile hazards on a combined single limit of liability basis shall not be less than \$300,000 each occurrence and when applicable, \$300,000 annual aggregate.

Notwithstanding any provision contained herein, Contractor retains the right to self-insure in lieu of purchasing insurance. Certificates of Insurance will not be provided for any portion of the insurance which is self-insured by Contractor.

Coverage's shall not be for less than any limits of liability herein specified or required by law, whichever is greater, and shall include contractual liability insurance as applicable to the Contractor's obligations under the Indemnification clause of the Contract (Purchase Order).

ACCESS TO CONTRACTORS INSURANCE INFORMATION IS AVAILABLE VIA THE INTERNET FOR ALL COVERAGES OTHER THAN SELF-INSURED LIABILITIES.BEFORE STARTING WORK THE CONTRACTOR MUST FURNISH TO THE OFFICE OF PURCHASING, CERTIFICATE (S) OF INSURANCE VERIFYING LIABILITY COVERAGE. THE CONTRACT OR PURCHASE ORDER NO. MUST BE SHOWN ON THE CERTIFICATE OF INSURANCE TO ASSURE CORRECT FILING. These Certificates shall contain a provision that coverage afforded under the policies will not be cancelled until at least fifteen days prior written notice bearing the Contract No. or Purchase Order No. has been given to the Director of Purchasing.

CONTRACT DISTRIBUTION

The Office of Purchasing shall retain the sole right of contract distribution to all State agencies and local units of government unless other arrangements are authorized by the purchasing office.

ACCOUNTING RECORDS

The Contractor and all subcontractors shall maintain all pertinent financial and accounting records and evidence pertaining to the contract in accordance with generally accepted principles of accounting and other procedures specified by the State of Michigan. Financial and accounting records shall be made available, upon

request, to the State of Michigan, its designees, or the Michigan Department of Auditor General at any time during the contract period and any extension thereof, and for three years from expiration date and final payment on the contract or extension thereof.

NON-DISCRIMINATION CLAUSE

In the performance of any contract or purchase order resulting herefrom, the bidder agrees not to discriminate against any employee or applicant for employment, with respect to their hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, national origin, ancestry, age, sex, height, weight, marital status, physical or mental disability unrelated to the individual's ability to perform the duties of the particular job or position. The bidder further agrees that every subcontract entered into for the performance of any contract or purchase order resulting herefrom will contain a provision requiring non-discrimination in employment, as herein specified, binding upon each subcontractor. This covenant is required pursuant to the Elliot Larsen Civil Rights Act, 1976 Public Act 453, as amended, MCL 37.2201, et seq. and the Persons with Disabilities Civil Rights Act, 1976 Public Act 220, as amended, MCL 37.1101, et seq. and any breach thereof may be regarded as a material breach of the contract or purchase order.

UNFAIR LABOR PRACTICES

Pursuant to 1980 Public Act 278, as amended, MCL 423.231, et seq. the State shall not award a contract or subcontract to an employer whose name appears in the current register of employers failing to correct an unfair labor practice compiled pursuant to Section 2 of the Act. A Contractor of the State, in relation to the contract, shall not enter into a contract with a subcontractor, manufacturer, or supplier whose name appears in this register. Pursuant to Section 4 of 1980 Public Act 278, MCL 423.324, the State may void any contract if, subsequent to award of the contract, the name of the Contractor as an employer, or the name of the subcontractor, manufacturer or supplier of the Contractor appears in the register.

USAGE REPORTING

Should a contract result the Contractor may be required to report the contract usage. Such reports, shall be reported semi-annually by State agencies, county and/or local units of government by item. These reports will be sent to the buyer in the Office of Purchasing, Department of Management and Budget. The State reserves the right to review your reporting capabilities prior to the award.

ADDITIONAL PRODUCTS

The State reserves the right to add an item(s) that is not described on the item listing and is available from the contract vendor. The item(s) may be included on the contract, only if prior written approval has been granted by the Office of Purchasing.

CANCELLATION

- (a) The State may cancel the contract for default of the Contractor. Default is defined as the failure of the Contractor to fulfill the obligations of the quotation or contract. In case of default by the Contractor, the State may immediately and/or upon 30 days prior written notice to the Contractor cancel the contract without further liability to the State, its departments, divisions, agencies, sections, commissions, officers, agents and employees, and procure the services from other sources, and hold the Contractor responsible for any excess costs occasioned thereby.
- (b) The State may cancel the contract in the event the State no longer needs the services or products specified in the contract, or in the event program changes, changes in laws, rules or regulations, relocation of offices occur, or the State determines that statewide implementation of the contract is not feasible, or if prices for additional services requested by the State are not acceptable to the State. The State may cancel the contract without further liability to the State, its departments, divisions, agencies, sections, commissions, officers, agents and employees by giving the Contractor written notice of such cancellation 30 days prior to the date of cancellation.

- (c) The State may cancel the contract for lack of funding. The Contractor acknowledges that, if this contract extends for several fiscal years, continuation of this contract is subject to appropriation of funds for this project. If funds to enable the State to effect continued payment under this contract are not appropriated or otherwise made available, the State shall have the right to terminate this contract without penalty at the end of the last period for which funds have been appropriated or otherwise made available by giving written notice of termination to the Contractor. The State shall give the Contractor written notice of such non-appropriation within 30 days after it receives notice of such non-appropriation.
- (d) The State may immediately cancel the contract without further liability to the State its departments, divisions, agencies, sections, commissions, officers, agents and employees if the Contractor, an officer of the Contractor, or an owner of a 25% or greater share of the Contractor, is convicted of a criminal offense incident to the application for or performance of a State, public or private contract or subcontract; or convicted of a criminal offense including but not limited to any of the following: embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, attempting to influence a public employee to breach the ethical conduct standards for State of Michigan employees; convicted under State or federal antitrust statutes; or convicted of any other criminal offense which in the sole discretion of the State, reflects on the Contractor's business integrity.
- (e) The State may immediately cancel the contract in whole or in part by giving notice of termination to the Contractor if any final administrative or judicial decision or adjudication disapproves a previously approved request for purchase of personal services pursuant to Constitution 1963, Article 11, Section 5, and Civil Service Rule 4-6.
- (f) The State may, with 30 days written notice to the Contractor, cancel the contract in the event prices proposed for contract modification/extension are unacceptable to the State.

RIGHT TO KNOW ACT (Act 80 of 1986)

The "Right to Know Act" is intended to provide protection and information to employees who encounter hazardous substances in the workplace. To comply with this act, it is necessary that you fulfill the following:

Labels on all incoming containers of hazardous chemicals must (1) clearly State the identity of the contents, (2) display appropriate hazard warning(s), (3) include first aid information, and (4) list the name and address of the chemical manufacturer, importer, or other responsible party.

This document must be included with shipment of chemical or hazardous material to the receiving State agency. It is necessary to send this document only on the first shipment for each chemical formulation or hazardous material ordered by a specific agency except when there has been a change in the formulation of the specified chemical or hazardous material, in which case, a revised material safety data sheet shall accompany the first shipment of the changed formulation. It is the

responsibility of the shipping vendor to maintain this record. The receiving agency will not accept first shipment unless the above is complied with. It is recommended that OSHA Material Safety Data Sheet No. 174 be used.

WARRANTIES

Limited Warranty pages for State and Local Government accounts are part of Goodyear's Federal Open Market & Net State Price List, dated February 1, 2001, which is applicable to this contract.

ELECTRONIC INVOICING

It is understood that products purchased under this program are for the exclusive use of State of Michigan vehicles throughout the useful life of the tire and or tube.

The Wheels/Maintenance Assistance Program (MAP) maintains the State of Michigan's vehicles for the DMB, Vehicle Travel Services Division. There are approximately 11,000 vehicles enrolled in this program.

It is the preference of the State of Michigan that all billings and payments be coordinated as a central account on a direct basis with the tire manufacturer for all purchases of tires and tubes. Authorized local units of government, however, may make payments directly to the local distributors/service locations based upon the discretion of the primary contractor.

Any product or services purchased, which are not part of the Wheels/MAP program (vehicles which are identified by license plates beginning with 03, 04 and 11) will continue to be billed directly to the agency by the local dealer or store. If in this third party billing arrangement, the third party does not pay the Supplier, the State of Michigan accepts responsibility for payment of tires, tubes and related services for properly identified state vehicles.

For vehicles not covered under the Wheel/MAP program the driver will be responsible to obtain authorization from the *appropriate* State agency before proceeding with the purchase.

A Maintenance Assistance Program guide will identify all eligible Wheel/MAP vehicles. The supplier will call Wheel/MAP for an authorization number. If the vehicle is covered under the Wheels/Map program, the outlet will be given an authorization number and specific ship to address. The Supplier will bill MAPS Inc., who in turn will bill the State of Michigan. The bill to address will be as follows;

MAP Inc. P.O. Box 2897 Des Plaines, IL 60017-2897

All tubes and tires will be billed at Contract pricing while non contract product and services will be billed at the current best Government Account Rate.

After the contract award all questions from State agencies, Drivers, and Supplier dealers and/or stores should be directed to the Department of Management and Budgets Vehicle and Services Division @ 517-322-5000.

NON LISTED CATALOG ITEMS

The percentage of discount applied to the items in a given group shall also be given to non listed catalog items within the same group, though they were not specifically shown in the item listing.

The Contractor may offer "Net Price Rates" on individual line items with a discount rate that differs from other items with the group. The discount rate of the "Net Price Rate" items must be greater than or equal to the discount rate offered on non-net priced items within the group.

CATALOGS

Upon request, the Contractor must supply original copies of the manufacturers official public price list as offered on this contract to State Agencies and Local Units of Governments. The catalog should contain a complete description of all available tires within each category, manufacturer catalog and product numbers and possibly illustrations of tread design. Agencies may contact the Contractor @ (888) 453-0021 or www.goodyear.com/gov. Catalogs applicable to this contract are:

Goodyear's Federal Open Market & Net State Price List, February 1, 2001

NON-STATE AGENCY REQUIREMENTS

Act Number 431 of the Public Acts of 1984 permits the State of Michigan, Department of Management and Budget, to provide purchasing services to any city, village, county, township, school district, intermediate school district, non-profit hospital, institution of higher education, community, or junior college. As a result of the enactment of this legislation, we have developed an Extended Purchasing Program. This programs extends the use of state contracts to local units of government. The governmental agency must enter into an agreement with the State of Michigan to become authorized to participate. Our major objective is to insure that local units of government secure a greater return for the expenditure of public funds.

Inasmuch as these are non-state agencies, all purchase orders will be submitted by, invoices will be billed to, and payment remitted by authorized local units of government on a direct and individual basis in compliance with contract terms and conditions. Orders received from non-approved local units of government shall not be considered unless prior approval is granted by DMB-Office of Purchasing.

All contracts shall be available for purchases by authorized local units of government. Therefore, all contractors shall honor orders on all contracts from State of Michigan authorized local units of government.

Estimated requirements for authorized local units of government were included in the quantities shown on the attached Invitation to Bid.
